v.

BENY GARNEATA, et al.

No. 08 CR 398

Hon. Martin C. Ashman

**BENY GARNEATA'S UNOPPOSED MOTION FOR PERMISSION TO TRAVEL
OUTSIDE OF ILLINOIS**

Now comes defendant Beny Garneata and respectfully requests this Court's permission to travel outside the State of Illinois for family vacations. Defendant Garneata also requests that the Court lift his restriction on travel outside of Illinois. In support of his motion, Mr. Garneata states as follows:

1. Beny Garneata was released on bond on May 22, 2008.
2. Beny Garneata and his family desire to travel to Miami and Hallandale, Florida from June 27-30, 2008, to Springfield, Missouri from July 3-6, 2008, and to Raleigh, North Carolina from July 18-20, 2008.
3. Beny Garneata has agreed to provide Pretrial Services with specific dates, locations, and contact information during each of his trips.
4. The Government and Pretrial Services have indicated that they do not object to this request.
5. Pretrial Services Officer ("Pretrial") Stephanie Norwood suggested that Defendant Garneata's bond travel restrictions be lifted to allow travel within the continental United States without seeking Court approval, provided he gives a detailed itinerary to Pretrial and the Government at least a week in advance of any trip. The Government has indicated they do not object to this modification to the bond agreement.

WHEREFORE, Beny Garneata requests permission of the Court to travel outside the State of Illinois on the above dates and to the above locations. Defendant Garneata also requests that his bond be modified to allow travel within the continental United States upon notice to Pretrial Services and the Government.
